page for additional stories and pictures.*

## ***Attention All Runners!***

The Friends of Anne Arundel County Trails is partnering with Corrigan Sports Enterprises for the March 11, 2023 **Annapolis Running Festival!** There will be three races: a half-marathon, a 10K and a 5K, something for everyone! Each will begin and end at the Marine Corp Stadium in Annapolis. To register, go to <https://annapolisrunfest.com>.

Their website has a video, complete registration instructions, race routes, information about the company coordinating the event, the local charities they are supporting, as well as a way to volunteer.

There is also a special “Donate” button you can use to help the Friends with our mission of protecting, preserving and enhancing our county trails. We are the only non-profit benefitting from this feature. On race day, the Friends will be cheering you on at water stop #5!

### Updates on Trails

The county is progressing well on Phase III of the Broadneck Peninsula Trail. For the time being, clearing will stop and the emphasis will focus on construction within cleared areas.

Along the WB&A Trail, work on the bridge over the Patuxent River is proceeding as planned and is on time. Weather permitting, it is hoped the opening will be this fall.

### Note

If you experience others speeding, behaving inappropriately along any of our trails, call the police first. They are well aware of incidents and are doing their best to quell this type of activity. You can make a second call to trail headquarters at 410-222-6141. The Friends of Anne Arundel County Trails is working with the county to report citizen concerns.
